### **NATIONAL BOARD MEETING THANK-YOU**

On behalf of National Kolping Board of Trustees, we want to thank New York Kolping for hosting our recent Board meeting in New York on November 20th and the dedication of our new National Office. Thank you also for your thoughtful generosity in covering the hotel expense for our meeting. Needless to say, your assistance was gratefully appreciated since we had spent so much effort in cutting National's expenses over the last two years.

Some of us had never before seen your Kolping House and were quite impressed with your facilities. We were all so pleased with the new National Office. It is spectacular, beautifully designed and furnished, with all modern innovations. Once can see how much thought has gone into its planning and its excellent materials and workmanship, true to our good German heritage. Congratulations to the many people involved in this project, and their vision.

Many thanks to all your members who planned and worked on the dedication ceremony, the refreshments and delicious food. It was such an enjoyable evening, meeting and conversing with our New York Kolping members. We were also delighted to meet Archbishop Timothy Dolan, who made the dedication of our new national office so joyful. You are blessed to have such a personable, warm and witty Archbishop.

Please extend our special thanks to all for your hospitality. Your efforts on behalf of National Kolping are much appreciated.

## Germany and the Healing Arts submitted by Martin A. Kelly

ALFRED EINHORN  
Sc. D.

Germany's contribution to the Medical Sciences has never been appreciated. Take the field of Anesthesia, for instance.

The local anesthetic Novocain, used, for minor surgery such as closing lacerations, was discovered by a German, Herr Doktor Alfred Einhorn (1856-1917). Up to its adoption in 1905, the pain killer used was usually a slug of schnapps.

For that matter, the barbers did most of this simple surgery. The red and white spiral band on the pole, usually seen outside of barber shops, symbolize the medical aspect of the hair cutting trade.

With the arrival of Novocain, dentistry became a separate profession, and the painful teeth drawing of the barber was ended. To promote the acceptance of the change, Dr. DeWitt Parker went from neighborhood to neighborhood with a dentist chair mounted in the back of his horse and buggy offering to demonstrate the improved, Novocain removal on volunteers. He earned the name "Painless" Parker.

Another analgesic developed in Germany was Adolphine, synthetic opium. It was in 1937 and the chemists, evidently, wanted to ingratiate themselves with the head-of-state and used his first name for the drug. Better, they had used Father Kolping's.

Aspirin, developed by the Bayer Company, is another example of German pain reliever. But that is another story.

### Humor

*submitted by Martin A. Kelly*

The owner of a German shepherd and the owner of a dachshund met walking their pets.

The shepherd owner said "Let's get some lunch." The dachshund owner objected "They don't allow dogs in places of eating."

"Watch this," said the shepherd owner. He took a pair of dark glasses and put them on. He, then, entered the restaurant because Seeing-Eye dogs of a blind person, is an exception to prohibiting of dogs in eating establishments.

The dachshund owner thought he would be admitted in the same way and put on his dark glasses. The manager, however, refused his entry telling that dachshunds were not Seeing Eye dogs. "What," exclaimed the owner, "You mean they stuck me with a dachshund?"

## Blessed Teresa of Calcutta submitted by Jack McGee

This year we celebrate the 100th Birthday of Blessed Teresa of Calcutta. All around the world, people of faith are taking the opportunity to learn about the life of this woman of extraordinary faith and courage. Known simply as "Mother Teresa" to countless millions, Blessed Teresa of Calcutta has inspired people of all backgrounds to show a special concern for their poorest and most neglected brothers and sisters.

Born on August 26, 1910 in Skopje, Macedonia, Agnes Gonxha Bojaxhiu was called to religious life as a young girl. After entering the Sisters of Loreto at the age of eighteen and being given the name Sr. Mary Teresa, she was sent to India. In 1948, after teaching for many years, she felt called to devote her life entirely to the care of the poor of Calcutta. In 1950, she founded the Missionaries of Charity, a congregation wholly dedicated to caring for "the hungry, the naked, the homeless, the crippled, the blind, the lepers, all those people who feel unwanted, unloved, uncared for throughout society, people that have become a burden to society and are shunned by everyone."

Mother Teresa and her Missionaries of Charity soon began to attract world attention. Their selfless dedication to those who are forgotten made Christ's love present in places where despair previously resided. In 1979, Mother Teresa was awarded the Nobel Peace Prize. In 1985, President Ronald Reagan presented Mother Teresa with the Presidential Medal of Freedom. In 1996, Mother Teresa was awarded honorary U.S. Citizenship by the President and the U.S. Congress.

Awards, titles and worldly success were never the desire of Blessed Teresa of Calcutta. She wanted only to be faithful to God's calling. Mother Teresa died in Calcutta, India on September 5, 1997. Blessed Teresa of Calcutta was beatified on October 19, 2003 by Pope John Paul II.

My Dear Brothers and Sisters in Christ,

You are invited to our first **BARN DANCE—FUN DANCE!**  
We need a break from all the snow and cold. We need to **laugh, dance, sing, eat** and drink and enjoy each other's company.

Come join us on Saturday, **March 26th at 7:00 pm** at Our Lady of Grace School Hall, 158-20 101st Street, Howard Beach, NY 11414

This will be a great time! Also, **the menu** is amazing! Here goes: BBQ ribs and chicken, chili, corn bread, macaroni and cheese, corn on the cob, with Italian favorites of: penne a la vodka, eggplant rolletini, sausage and peppers, stuffed flounder and special salad served with wine and soda. For dessert we will have amazingly good "Oxford Bakery" crumb cake, cookies and coffee. All professionally catered, and highly recommended.

Along with the eats there is **the dancing!** A five-piece live Country & Western band will be on hand to help us experience the joy of sharing a special night out!

We will also have raffles—featuring a beautiful statue of Our Lady and a genuine Coach tote bag, original artwork—from Alex Gardega, Lisa Hannick and Madeline Lovallo and religious jewelry (crafted by me) to browse through during the music breaks!

Please join us and do so soon! Seating is limited! There are tables of twelve, so think of bringing along some friends. Please **RSVP** by March 7. The tax-deductible donation is \$55 per person—a great value for a great cause!

Many new developments to talk about at the dance! Please keep praying about those taxes! No word yet. Looking forward to seeing you on the 26th of March with cowboy hat and boots and **ready to "doe-see-doe!"**

God Bless!

With Peace, Love and Prayers,  
*Fr. Richard Bretone*
