Father's Day Kolping-On-Hudson June 20, 2010

You are cordially invited to celebrate Father's Day with us on Sunday, June 21. Our menu will include fresh ham and gravy, mashed potatoes, sauerkraut, applesauce, dessert and coffee.

Mass will be celebrated at 4:00pm, at which time we will award scholarships. Our Father's Day Mass will be celebrated for Joe Baumgarten, Larry Dengler and Ted Dengler.

The price for dinner is \$18 per person. Please call Heidi Umland for reservations or for more information. Weekdays: 718-805-0552 and weekends: 914-736-0117.

Welcome to our 2010 Summer Season at Kolping-on-Hudson!

Our clean up weekends are over, and we want to thank our members, their children, friends, and Boy Scouts who joined in the cleaning of the outside and the inside. It is always great to see our members volunteer their time and muscle in getting our summer house ready. We could always use more help, especially on Sundays. Now all we need is for all of you to come up often and enjoy yourselves.

With so many events planned this summer—Father's Day, Tropical Night, Family Fun Weekend/Campout, Oktoberfest, Steuben Parade, Harvest Dinner, Father Bretone's Chapel, and Close Out Party, we hope you will join us for as many as your schedule permits.

MISSION STATEMENT: We, the members of the Catholic Kolping Society of America, extend the vision of our founder, Blessed Adolph Kolping, by promoting the development of the individual and family; we foster a sense of belonging and friendship through our program of spiritual, educational, charitable and social activities.

Milestones & Passages

Everyone could use the power of prayer now and again. If you or anyone you know is in need of prayer, please let us know and we will be happy to include them within the "in our prayers" list. Please call Ann Horan (914-737-2026) when you know of a member who is ill, in the hospital, or has passed away. We want to be sure to remember them.

It is with great sadness that we said goodbye to our most senior New York Kolping member, **Ted Dengler**. Ted was a member for 64 years, served as our legal advisor, and a member of the Board of Directors for most of those years. His Mass, which was celebrated at the Chapel of Fordham University, was an outstanding tribute to the life he led. He was so generous with his time to the Leo House, Kolping, the Boy Scouts, his parish, and most importantly to his wife, Erna, children Ted, Lisa, Veronica, and our current president, Katrina. He will be missed by his grandchildren, brothers, sisters-in-law, and so many nieces and nephews. We are all grateful for the time we spent with Ted and so grateful for all he did for us at Kolping.

Our deepest condolences to Manfred and Ann Gallwitz and their family on the passing of Manfred's brother, **Herbert Gallwitz**, this May. We remember Herbert so well when he first came over to this country and visited Kolping-On-Hudson. It seems anyone whoever passed through KOH left a little bit of themselves there, and Herbert was no exception. Every time you go into the pantry and kitchen and look at the beautiful tile work on the floor, you can thank Herbert for this work. We also remember him as a fun-loving guy and we know his loved ones will sorely miss him.

Mother's Day

submitted by Ann Horan

In spite of the cold rainy day we had this year for Mother's Day over 100 meals were served to members and friends. The food was great, thanks to our chef Kathy Weinborg and Doris Petsche. They were assisted by Gerhard Schmitt, Donna Richardson, Jenna Richardson, and Ritchie Povlonts. Thanks to our manager Heidi Umland for pulling the day together and to Marlene Bittermann for making Blessed Mother's Shrine and our Mass look extra special with beautiful flowers.

Msgr. Donald Hendricks, a Kolping member and pastor of St. Christopher's Church in Buchanan, offered Mass for Bertha Holl, Elfe Woschitz, Rita Wuest, and Agnes Schlee. We are thankful to Msgr. Hendricks for helping us out while our Father Bretone performed a wedding and was unable to be with us. We wish Msgr. Hendricks many years of good health and peaceful days as he begins his retirement in July. Maybe this means he can spend more time at KOH!

After Mass we inducted the following new members: Mercia Kenna, Maria Lopes and Chris Getsler, Gerald Ladenhauf, Claudio and Evelyn Petriccione, George and Joan McManara, Aileen and James Gallagher, and Lisa and Peter Carruthers. Welcome to these members and we hope to see you often at KOH.

Our last ceremony of the day was to crown Blessed Mother. The two young ladies who did the honors were Isabella Lovasz and Emily Specht. We have John Reitter to thank for the pictures he took for you to enjoy.

Nativity Mission School

Many of our members will remember that we have a scholarship fund named after a beloved member who passed away too early in life named Joe Sartorius. Since this fund was set up we have been bestowing scholarships on four boys from the Nativity Mission Center located at 204 Forsyth Street in Manhattan. As their mission grew we also adopted their other school, St. Ignatius. In the past these scholarships were presented on Father's Day at Mass at Kolping on Hudson. This year the scholarships were presented at the May Board of Directors meeting on 88th Street. We were happy to welcome Fr. Jack Podstadlo, the principal of both schools and some of the boys. The Board enjoyed eating dinner with the group and it gave the boys a chance to tell about their school plans and also their hopes for the future. We hope this relationship with the two schools continues for many more years.

The boys from Nativity are Jimmy Escalona, Felix Espinosa, Henry Romero, Adrian Surtiel. The boys and girls from St. Ignatius are Edgar Alonzo, Larry Cruz, Itselle Rivas, and Crystal Tavaréz.

Theobald J. Dengler IX

submitted by Katrina Dengler

Theobald J. Dengler IX is a Bronx boy. His grandfather and grandmother emigrated from the Rhineland. Ted's father was born in Manhattan. Ted Dengler along with his father were one of a small group that founded the Steuben Parade in 1957. Ted has been serving the German American community, starting as a Boy Scout in Yorkville Kolping Troop 636 from tender foot up to Committee Chairman, for 27 years.

He went to school in the Bronx. After Fordham College he completed law school and was admitted to the NY Bar in 1954. He joined his father in the practice of law later joined by his brothers, Norbert and Laurence, and his sister, Hilda.

After serving in the US Army in the Judge Advocate Section in Orleans, France, he returned to the law firm concentrating on wills, real estate and not for profit corporations. He served on the Board of the Catholic Lawyers Guild.

He married Erna, a Yorkville girl, and they have four children. It's a wonder they ever saw him because he was active in many German American organizations, and attending the functions of other German American organizations and Vereins.

As President of the Kolping Society of New York, he was Chairman of their summer home in Montrose on the Hudson and served as their legal advisor.

In 1957 he was elected to the Board of Trustees of the Leo House for German Catholic Immigrants where he served until 2002 as Secretary, Vice President and President for over 50 years.

With the New York Turn Verein he began in 1966 and served on the Board of Advisors of the American Turners Foundation of New York.

He continued to be active in the Steuben Parade, serving as Treasurer from 1957 to 1990. In 2009 he was honored by being one of their Grand Marshalls of the parade.

Even when serving as Treasurer and then Chairman (President) of the German American Committee of Greater New York, he served on the Board of Trustees of the Isabella Geriatric Center from 1965 to 1988, first as Secretary and then as Vice President.

In 1978 he received the Medal for Distinguished Service in Catholic Organizations from Terence Cardinal Cooke. Mayor Ed Koch awarded him the Mayoral Ethnic

Service Medal in 1988. In 1996 he was invested into the Equestrian Order of the Holy Sepulchre.

Many of you know it is not just the organizations one belongs to and their meetings that one must attend, but the functions and activities of supporting organizations as well. Ted and often Erna were to be seen at German American concerts, banquets and affairs.

Ted was a Renaissance man: a voracious reader, a love of the outdoors from scouting, skiing, and backpacking up Mt. Marcy, New York's highest point. He loved his summer home at the beach and his boat for exploring and fishing. He loved music, especially choral singing. From Boys Choir to college Glee Club to the Rockefeller Center Chorus, Ted was in it. Hindered only by hours spent in German American and Catholic activities.

He will be missed by his wife Erna, children Theobald X, Joan Smyth, Lisa and Peter Carruthers, Veronica and Theodore Coletti and Katrina, his grandchildren Theobald XI, Allison, Phillip, Sabrina and Travis. He will also be missed by his brothers Norbert and Bernard, along with his many nieces and nephews.

May the angels lead him into paradise.

THE YEAR OF THE PRIEST submitted by Jack McGee

We are now in the month of June. We will soon be coming to the close of the year for priests, called by our Holy Father Benedict XVI, last June. It has been a year in which priests have been asked to renew their commitment of holiness and service. And, all who make up the Church, have been asked to pray for priests in a special way.

The year has served, as well, as an opportunity to encourage prayers for priestly vocations. The year has served those who have already responded to the invitation and are now in formation in seminaries. We are still encouraged to continue our prayers to encourage those who "might or may" be considering the vocation, but may have lost sight of their objective.

Several hundred years ago, St. Bernard was asked "who is the priest? What does he do?" His reply was very direct. If we did not have the Sacrament of Holy Orders, we would not have Christ with us. Who baptized us? The priest. Who nourishes our souls? The priest. Who prepares it before God? The priest. And to St. Bernard's reply, we have the observation of St. John Vianney, the Cure of Ars.

When people wish to destroy religion, they begin by attacking the priest, because where there is no longer any priest, there is no sacrifice. And, where there is no longer any sacrifice, there is no religion.

The priesthood is the love of the Heart of Jesus. When you see the priest, think of Our Lord Jesus Christ.

Stories of Interest

SISTER EDITH STEIN submitted by Martin A. Kelly

The holocaust is very much in the news to prove man's inhumanity to his fellow man. Our closest victim, as Catholics, is our Sister-in-Christ, Sister Edith Stein.

She was born in 1895, in Breslau, Prussia, to an observant Jewish family. Her childhood was unremarkable, except she was obsessed with the purpose of human existence. She left her university studies at Göttingen to serve as an army nurse aide when World War I broke out.

After her discharge, she resumed her philosophical studies at the University of Freiburg and was awarded her doctorate in philosophy *Summa Cum Laude*. She later became the assistant and collaborator of Professor Husserl, the famous founder of phenomenology, who greatly appreciated her brilliant mind.

In the midst of all her studies, Edith Stein was searching not only for the truth, but for Truth itself and she found both in the Catholic Church, after reading the autobiography of Saint Teresa of Avila. She was baptized on New Year's Day, 1922.

By 1933, the National Socialists had seized power and one of their first moves was to prohibit Jews from teaching. Edith had already become a nun and entered the Carmelite Order; but, she was not safe even behind convent walls.

On the night of 31 December 1938, she secretly crossed the border into Holland where she was warmly received in the Carmel of Echt. There she wrote her last work, *The Science of the Cross*. Her own Cross was just ahead of her, for the Nazis had invaded neutral Holland, and when the Dutch bishops issued a pastoral letter protesting the deportation of the Jews and the expulsion of Jewish children from the Catholic school system, the Nazis arrested all Catholics of Jewish extraction in Holland. Edith and her sister were sent to Auschwitz where they met their deaths.

Why was not more done to stop the holocaust? One answer is; "human weakness." That is what Jesus exclaimed when he left the Garden of Gethsemane, after praying, and found his disciples on guard duty asleep (Mark: 114.30).

St. Peter, the chief apostle, denied Jesus three times after his arrest and before the crucifixion (John 18:18). Later St. Peter attempted to flee Rome after the start of the persecution of Christians by the Roman Emperors. Peter met the vision of Jesus when walking toward Rome. Peter greeted him "Where are you going, Master?" (*Quo Vadis, Domine?*) Jesus explained that if his right hand man could not stand up to what he knew was right, his passion and death were in vain. St. Peter returned and accepted the dire consequence. (James. 333). Coincidentally, little record exists that pagans and others protested the persecution of Christians by the Romans (AD 60-376).

[A third Order of Carmelite with Saint Edith Stein as the patroness is located in Middletown, New York]

FLAG DAY – June 14

submitted by Jack McGee

Flag Day seems to be an old tradition that is quickly being forgotten with our daily "hustle and bustle". We received a reminder from one of our Veteran Groups to display the flag on this day. Though not a holiday, it is a day for commemoration and we've been encouraged to "Hang 'em high". Let's mark June 14th on our calendars. And if our neighbors ask us "why the flag?" ask them to check their calendars. Isn't June 14th marked "Flag Day?"

HUMOR

submitted by Martin A. Kelly

A fellow needs some legal advice so he calls upon an attorney and asked about his fee.

The lawyer tells him 3 questions for \$100.00. The client comments "Isn't that a little high?"

The lawyer responds "not really, now what is your third question?"

PARENT JOB DESCRIPTION submitted by Walter and Katherine Weigand

POSITION: Mom, Mommy, Mama, Ma, Dad, Daddy, Dada, Pa, Pop

JOB DESCRIPTION: Long term, team players needed, for challenging, permanent work in an often chaotic environment. Candidates must possess excellent communication and organizational skills and be willing to work variable hours, which will include evenings and weekends and frequent 24 hour shifts on call. Extensive courier duties also required.

RESPONSIBILITIES: The rest of your life. Must be willing to be hated, at least temporarily, until someone needs \$5. Must be willing to bite tongue repeatedly.

Also, must possess the physical stamina of a pack mule and be able to go from zero to 60 mph in three seconds flat in case, this time, the screams from the backyard are not someone just crying wolf. Must be willing to face stimulating technical challenges, such as small gadget repair, mysteriously sluggish toilets and stuck zippers. Must screen phone calls, maintain calendars and coordinate production of multiple homework projects. Must have ability to plan and organize social gatherings for clients of all ages and mental outlooks. Must be willing to be indispensable one minute, an

embarrassment the next. Must handle assembly and product safety testing of a half million cheap, plastic toys, and battery operated devices. PREVIOUS EXPERIENCE: None required. On-the-job training offered on a continually exhausting basis.

WAGES AND COMPENSATION: Get this! You pay them! Offering frequent raises and bonuses. A balloon payment is due when they turn 18 because of the assumption that college will help them become financially independent. When you die, you give them whatever is left. The oddest thing about this reverse-salary scheme is that you actually enjoy it and wish you could only do more.

BENEFITS: While no health or dental insurance, no pension, no tuition reimbursement, no paid holidays and no stock options are offered; this job supplies limitless opportunities for personal growth, unconditional love, and free hugs and kisses for life if you play your cards right.

What's Cooking?

IN THE **KOH** KITCHEN

The KOH season opened officially with Mother's Day dinner on May 9th. Kathy and Doris with help from Mike, Donna, Gerhard, Jenna, and Richie Povilonis served 170 delicious roast beef dinners. We thank them for the outstanding job they did! We thank you all for joining us and hope to see you all again at Kolping-on-Hudson as your schedule permits.

We will be setting up an email address that you can use to to make dinner reservations, submit comments or menu suggestions, etc. which will be posted on the web site (<http://www.kolpingny.org>) hopefully within the next week and will also appear in next month's What's Cooking page.

Guten Appetit!

Doris, Kathy and Jen
