OUR HOLY FATHER'S AUGUST 2010 INTENTIONS

Each month, the Holy Father gives us one general intention and an intention for world missions.

The Unemployed and the Homeless.

That those who are without work or homes or who are otherwise in serious need may find understanding and welcome, as well as concrete help in overcoming their difficulties.

Victims of Discrimination, Hunger and Forced Emigration.

That the Church may be a "home" for all people, ready to open its doors to any who are suffering from racial or religious discrimination, hunger, or wars forcing them to emigrate to other countries.

Champagne Brunch at KOH submitted by Ann Horan

Thanks to so many members who came up to enjoy the afternoon with us.

Kathy Weinborg, Doris Petsche, and Alex Schmitt worked hard in the hot kitchen to serve us up tasty breakfast and lunch foods. The Champaign and mimosas were served by Robert, Jerry, and Heidi. Although the day was hot, there were plenty of good tables in the shade. Make it a point to join us for the next brunch this month!

Stories of Interest

FATHER IGNAZ SEIPEL (1876–1932) submitted by Martin A. Kelly

The political situation in Austria immediately after the end of World War I was chaotic. With the monarchists (Hapsburgs) out, the reins of government slipped precariously in unsteady hands. The Leftists, Social Democrats, Christian Democrats and smaller factions vied for control of the newly inaugurated republic. A man of wisdom and political shrewdness was needed to take the helm of the state.

He was found in the person of the outgoing Imperial Minister of Social Welfare: Father Ignaz Seipel. He became leader of the Christian Social Party from 1921 and he was Chancellor five times (1922-24, 1926-29). He played a decisive role in the transition from monarchy to republic without bloodshed or strife and prevented a split in the Christian Social Party between the monarchial and republican wings. He won foreign recognition for his fledgling state and he foiled the 1927 July revolt and a seizure of power.

While Father Seipel based his policy on striving by political rather than purely religious means for the welfare and upbringing of Christian Austria. His political opponents were not so limited by religious scruples and an assassination attempt was made on his life.

Having sacrificial advancement within the Church and in declining health, he returned to scholastic studies and teaching. To his everlasting credit Fr. Seipel fathered the 1929 Austrian constitution.

HUMOR submitted by Martin A. Kelly

Two old friends met and one carried a folded copy of the daily newspaper under his arm.

The other friend greeted him with "How do you think that things are going?"

The first friend thought for a second and replied "As one electric light bulb said to another light bulb, I think we are going to get screwed".

How One Soul Coming Before the Blessed Sacrament Can Change the World submitted by Jack McGee

Saint Therese of the Child Jesus is the patroness of all missionaries, even though she never left her convent. She died at the early age of twenty-four but accomplished great things through the power of prayer. The Church made her the patroness of all missionaries to emphasize and dramatize this most important truth:

All conversions and all apostolic activities in the Church are accomplished by grace generated by prayer.

The Church teaches that the most efficacious form of prayer in the Presence of Jesus in the Blessed Sacrament. Prayer in the Divine Presence of Jesus in the Blessed Sacrament releases the power, the blessings, and the graces of God.

The best example of this is from Scripture. Jesus asked His Apostles who touched Him, because they felt power go out from Him. He was referring to the woman who made an act of faith by touching the hem of His garment, knowing that by doing so she would be healed. Another time, the Gospel tells us that everyone wanted to touch Him because power and graces flowed out from Him.

Each time that we go to Jesus in the Blessed Sacrament, we touch His Heart with our faith. Each holy hour that we make in the Presence of Jesus releases His power and graces upon you, your family,

your parish, diocese, and the world. This is why our Holy Father, Pope John Paul II, said that "the Church and the world have a great need of Eucharistic Adoration."

The Pope canonized Maximilian Kolbe, who made ten visits every day to the Blessed Sacrament during his adult life. The Pope beatified Sister Faustina, who wrote in her diary that each holy hour of prayer so pleases the Heart of Jesus that each man, woman, and child on the face of the earth receives a new effect of God's goodness and love because of the value of a single holy hour made in His Presence.

The Pope also beatified Dina Belanger because of her devotion to Jesus in the Blessed Sacrament. Jesus revealed to Dina the power of the holy hour in making reparation. One form of reparation is the ability to make up for what is lacking in the life of another. One day before her holy hour, Jesus showed Dina a multitude of souls on the precipice of hell. After her holy hour, Jesus showed the same souls in the hands of God. He told her that through holy hours of prayer a multitude of souls go to heaven who otherwise would have gone to hell as one person can make up for what is lacking in the lives of others by winning precious efficacious graces for their salvation. In other words, Eucharistic Adoration is the outpouring of God's Divine Mercy on the world!

This is one reason why in the past there were so many religious communities and monasteries devoted to Perpetual Adoration of the Blessed Sacrament. Now most of them no longer exist. God did not cause this, but He allowed it to happen because this is the age of laity. Contemplative vocations that were one plentiful among the religious are now given to lay people.

A growing number of lay people are experiencing a call to make a holy hour, not just weekly but daily. Bishop Fulton Sheen was the great apostle of the importance of the daily holy hour. "I am convinced that if it were humanly possible to fully understand the value of a holy hour, everyone would either find time or make time to do it. The difficulty of finding time in today's busy world makes the daily holy hour that much more precious and meritorious in the eyes of God."

For those who make a daily holy hour, or a result of this article are inspired to do so, we ask you to please pray for the spread of Perpetual Adoration throughout the world. At the forty-fifth International Eucharistic Congress in June 1993 in Seville, Spain, Pope John Paul II prayed that the fruit of the Congress be the establishment of Perpetual Adoration in every parish throughout the world.

The daily holy hour generates the graces necessary for the spreading of Perpetual Adoration.
