55th Annual Steuben Day Parade

Saturday, September 15, 2012

Join us in marching down 5th Avenue with the Kolping Society! As of now we are scheduled to line up on 70th Street between Madison and Park Avenues at 12 noon. We are in the 8th division, section B. We will be third in the section, behind the Masons. (This is subject to change—If and when we are notified of a change we will send out any new information via email.) The Mass at St. Patrick's Cathedral will begin at 9:00am (arrive in front of the church at 8:30am). We'd like to encourage all marchers to follow a "dress code"—trocken, or orange and black, for the Kolping colors, or blue bottoms and white tops—or suits for men. The parade will be televised again this year, so we want to look smart and march in tight formation!

Please join us for our annual "Steuben Parade Celebration" after-party at Kolping House at 165 East 88th Street. Eat, drink and have a great time after the parade. The doors will open at 1:00 pm, and the festivities will begin at 3:00 pm. Great food, great music, plenty of beer and lots of fun.

For reservations, please call Muriel at 914-582-8379.

HARVEST CRAFT FAIR & FLEA MARKET

Saturday, September 22 at Kolping-on-Hudson

Barbeque, hamburgers, wursts, hot dogs, salads and Homemade cakes. Face Painting and crafts for the kids, 50/50, and much more. Event will take place from 11 am to 4 pm. Come out—enjoy the day!

MISSION STATEMENT: We, the members of the Catholic Kolping Society of America, extend the vision of our founder, Blessed Adolph Kolping, by promoting the development of the individual and family; we foster a sense of belonging and friendship through our program of spiritual, educational, charitable and social activities.

Milestones & Passages

Everyone could use the power of prayer now and again. If you or anyone you know is in need of prayer, please let us know and we will be happy to include them within the "in our prayers" list. Please contact Muriel Fullam (914-582-8379) or email MurielFullam@msn.com when you know of a member who is ill, in the hospital, or has passed away. We want to be sure to remember them.

August 14th was a very sad day for Kolping NY. We lost two very dear members.

Christine Vogl, a member since 1994 and the daughter of our wonderful members Ernst & Wilma Endrich passed away. She is remembered by all the friends that she grew up with at Kolping. We remember her as a beautiful, blond-haired little girl who spent many summer days in the Kolping pool with Wilma and her "second mom" Herta. She will be deeply missed by her son AJ who is ready to start Fordham Prep. Our deepest sympathy goes to Ernst, Wilma, AJ and the rest of the family.

Bert Bruegger, a 50 year member, husband of Heide and father to Christine & Casey Weltner and Peter & Natasha Bruegger and grandfather to Julia, Eric, Kevin & Thomas. Bert will be missed by all of us at KOH and at 88th Street. We looked forward each spring to seeing him and his smile at KOH. Our deepest sympathy to all of the Bruegger Family.

Please keep **Walter Ritter** in your prayers as he battles some health issues.

A big "Thank You" to Margarete Kiec. Margarete Kiec and her late husband William joined Kolping in 1959. Margarete has such wonderful memories of Kolping. Because of those memories she has made a very generous donation to Kolping. She hopes that today's young members are making those good memories too.

OUR HOLY FATHER'S SEPTEMBER 2012 INTENTIONS

Each month, the Holy Father gives us one general intention and an intention for world missions.

Honesty for Politicians. That politicians may always act with honesty, integrity and love for the truth.

Help for the Poorest Churches. That Christian communities may have a growing willingness to send missionaries, priests, and lay people, along with concrete resources, to the poorest Churches.

Family Fun Day

submitted by Muriel Fullam, photos by Joan Dengler/Charles Ruppmann/Muriel Fullam

Family Fun Day on August 19th started off at 9:30 am with a 3 hour cruise on the Hudson for 43 members and friends on the sloop the Clearwater. A very good time was had by all. They said the trip was beautiful, they learned a lot and some even got to steer the sloop. This trip was made in loving memory of Larry Dengler. Larry was devoted to the Hudson. He and his wife spent many happy hours canoeing on it.

At 1 pm the BBQ began at KOH. Over 140 people came out for the fun. The day was a success due to wonderful volunteers—#1 on that volunteer list is The Weinberg family, Mike, Kathy, Emily, Heidi & Kelly. They barbecued, they cleaned up, they organized the games, they helped at the gate and Kathy along with our wonderful Doris Petsche cooked and prepared all the food. The Colletti Family and Ted & Joan Dengler come in at a close second—Lou made her famous delicious cupcakes, Joan & Lou served food, Nick barbecued, Ted and Nick played DJ, Nicky along with member Lisa Giaquinto took charge of the all the Family fun games. Thank you Nicky & Lee. The blue flyer that announced Family Fun day in our monthly bulletin was designed by our own beautiful member Beverly Cantu. Thanks Beverly! Thank you also to the Kern family—Christine was at the bar, Danielle & boyfriend Danny, Matt and girlfriend Nicky & Jerry Kern helped out with the games as well as watching the little ones on the water slide to make sure they were safe. Thank you, too, to Cathy Reilly, Patty Vargas, and the Gonda Family, Edward Specht, Gerhard Schmitt and Walter McDonald—all amazing volunteers.

Hubert Bruegger *(submitted by Muriel Fullam, written by his children)*

Bert, Daddy, Opa...whatever we called him by, and asked of him...the answer would always be the same. And that answer was yes...pick up something from the store, go to the shop to help, give another ride on his lap to his grandchildren, and basically give you a hand with anything that was asked...without ever expecting anything in return.

Love, patience, kindness, calmness, laughter and good times. That's what we associate with him. He had his opinions, but that never stopped him from doing the right thing. He was the ultimate example of a good teacher, showing, explaining and guiding.

For the 50 years he lived in this country, he showed that hard work, love, dedication, loyalty and craftsmanship are what make you successful. He worked side by side with his wife to give our family all we could ever want. My parents were able to show us that love and work go hand in hand. You talk, you argue, you compromise and then you move on to the next task at hand and know that you are always loved.

Because it will never make sense why this happened, we have to believe, like Peter said to our children, "God must have a pretty big stained glass job he needs done up in heaven."

We love you so much and will miss everything about you.

Stories of Interest

Ferdinand Schumacker *submitted by Martin A. Kelly*

Did you know that the American farmers grow over one billion bushels of oats annually? Or that each acre, here, yields about 31 bushels; while in certain Western European countries (Denmark and Holland), through intensive cultivation, the yield per acre is closer to 70 bushels? This is something for world leaders to remember in case of a future food shortage.

But did you know a German-American is largely responsible for the popularity and variety of this food staple in the American diet? Ferdinand Schumacker was born in Celle, Germany in 1822; and he immigrated to America in 1850 bringing with him integrity and foresight.

After a stint in farming, he opened a grocery store in Akron, Ohio. He pondered on ways to make oats, fit for human consumption. Oats were chiefly used as fodder. In 1854, he invented a chopper which made tiny cubes of oats. He, also, made a processor to pre-cook oats and run them through rollers so they flaked-off; thus becoming rolled oats.

A non-smoker and a non drinker, Schumacker was an advocate of prohibition. He also was a fervid church-goer. One night his faith was put to a test when his mill was almost completely burnt down. In dire need of capital, he was tempted to break with his beliefs when a local brewer offered to buy the remainder of his unscorched grain. He resisted the offer and started anew, faithful (kerngesund) as before.

With mergers, he expanded his milling operations and formed the American Cereal Company, which eventually became the Quaker Oats Company. At the height of his success, he was the largest cereal manufacturer in the world. He died in 1908.

Cincinnati News *submitted by Jack McGee*

The July 2012 World Choir Games were held in Cincinnati (the first time this event was held in the U.S.). An event nicknamed "The Olympics of Choral Music", 362 choirs from 64 countries attend. The games are held every two years in a different city and country. It takes 4,600 volunteers to run the 200 events, and some Cincinnati Kolping members signed up as choir guides and interpreters. It was hard work, but worthwhile, as it was a once-in-a-lifetime experience to be involved in such a grand spectacle.
