## Secretary Job Opening

posted by Muriel Fullam

I have had a great time in my job as Secretary of the Catholic Kolping Society of New York. Meeting and getting to know all of you has been so much fun. But now it is time for me to retire and travel and cross off all the things on my bucket list. So..there is a job opening.

I plan to leave at the end of December, but would welcome training a new person sometime this fall. It is a Part-time, paid position. I did most of it from home, but trips to Kolping House on 88th Street are also necessary—as secretary you have an office there. If you think you might like this job, you should be computer literate and know “WORD” and “EXCEL”. The job entails collecting, banking and recording dues, sending receipts for donations; receiving applications from new applicants; attending Kolping events and writing them up for our monthly bulletin. I have a complete list of secretary chores for those interested.

Please let me, Ann Horan Hemsing (Annth@optonline.net), Katrina Dengler (kdengler67@hotmail.com) or Ed Specht (ehspecht@gmail.com) know if you are interested. If you already have a resume put together that you can send, email it to us. If not, just send an email and list your skills. We will have interviews with all interested parties sometime in the middle of October. You will be notified of the date by email.

## Joe Sartorius Scholarship Fund

We are ready to award \$250 to a member's child or grandchild (the award will be presented at our Christmas Party on December 8, 2013). All you have to do is send Muriel Fullam a letter about the child. He or she should be in grade school and committed to doing good deeds in school, at home, or in the community. We give this award in memory of Joe Sartorius who was dedicated to working with children and always made sure they had fun things to do when they came to Kolping. Please send your letter to Muriel Fullam, Kolping On Hudson, 95 Montrose Point Road, Montrose, NY 10548.

## News & Notes

### ISABELLA LOVASZ

Isabella Lovasz, better known as “Izzy” to everyone at KOH is 11 years old and is entering 6th grade this fall. She is the beautiful daughter of members Stephen & Alina Lovasz and the granddaughter of member Christina Lovasz. Izzy's passion is swimming—she learned to swim at Kolping-On-Hudson when she was just 4 years old. She belongs to the LaGuardia Twisters, a swim team in Queens. With her team, Izzy practices her strokes 5 days a week for 1 hour and 45 minutes each weekday after school. And this past summer all that practice paid off. She went on a three-week trip with her mother, Alina Lovasz to Kielce, Poland to visit her Aunt Izabela and her Aunt Daria as well as her cousins. Izzy loved Poland and loved visiting with her relatives. While there family members entered her into a swim meet for Polish people living in other countries. Our Izzy won 4 Gold Medals and 2 Silver Medals! The races were different lengths—she won for the backstroke, free style and butterfly races as well as two relay races. **We are very proud of Izzy.**

# 56th Steuben Day Parade

submitted by The Kolping Steuben Day Parade Committee

**PARADE COMMITTEE:** Lou Colletti, Gerhard Schmitt, Donna Richardson, Edward Specht & Jerry Ladenhauf

On Saturday, September 21st on 70th Street between Madison & Park Avenues about 50 Kolping Members & friends met it was a sunny last day of Summer. We got our Kolping orange & black sashes and we proudly marched up to 5th Avenue. The Parade was televised and our family at home and our Kolping Family were able to see us march. There was even a wedding on the Schallar & Weber Float!

After we marched we went back to the Kolping House on 88th Street for our Steuben Day celebration. Over 100 attended. We ate great food, danced & listened to music by, Schachtelgebirer Musikanten. Both Ron & Fred once again this year did a great job of keeping us well entertained.

The following are those we helped to make the Kolping Post Steuben Day Party Great. Without each & everyone of them it would not have been possible & they are:

Doris Petsche: Our Great Chef every time, A big "Thanks" to her assistant Geovanny Ramirez.

Jen Ahrens-Scheuermann & her sister, Evelyn Ryzerski for baking our delicious Plum Cake. Before the Plum Cake was ready to be baked back at Kolping on Hudson, Jen had 3 great ladies who pitted all the Plums for 4 cakes. Thank You Heidi Umland, Helmi Pinner & Christel Scheuermann. Jen for getting us the Pretzels & Pretzel Hoagies from Germany. Also to Joan Dengler who pick them up & stored them for us. Thanks to Bernie Pressier for jumping right in & selling our tickets at the door. Also Emily Specht, (a 3rd generation Kolping Member) for collecting the meal tickets.

Our delicious meal & desert was served by: Donna Richardson, Edward, Lisa & Emily Specht, Stefan Schmitt, Tina Denglar & Jerry Ladenhauf. Also Nick Colletti who kept food & anything else needed at the serving tables.

Our 50/50 Tickets was drawn by Emily Specht. The winner was Peter Carruthers. Thanks to all we participated.

Also making sure there enough food at the serving tables, beer, tables were reserved, tickets, flyers etc. and that all was neat & clean. All of us members should be proud to say that our Kolping House has such fine employees.

Once again a very special "Thanks" to Julia Specht, who is has been making our flyer for Steuben Day for 6 years. Also this year Julia had to do a school project in her photography class a Documentary. She chose the Steuben Day Parade can't wait to see her photo's.

# Kolping Golf Outing 2013

submitted by Muriel Fullam, photos by Donna Richardson

The wonderful companies listed to the right donated money to Catholic Kolping and became sponsors for our 2013 Golf Outing. Please consider them when you are looking for services for your own home or business. They have been very good to the Catholic Kolping Society. Our biggest thank you is to our President, Bob Hemsing & his staff at Dooley Electric, for spending many hours contacting these companies (most of whom are his business associates) and asking them to sponsor the event. Thank you too to all of our golfers, members as well as friends, and business associates who participated in this fun event. We also thank our board member, Donna Richardson, for once again setting up this wonderful day for the golfers at The Doral Arrowwood Resort & Golf Club. She always gets us the best rate, the best food and I think she must have an "In" with THE MAN upstairs—because so far we always have good weather on golf day.

## PLUM CAKE

submitted by Jennifer Ahrens

Sincerest thanks to Manfred Gallwitz for making the plum cake with help from Evelyn Ryzerski and Jennifer Scheuermann for the KOH Oktoberfest! The cakes were beautiful and delicious!!

Below is a photo of the ladies and Manfred relaxing with some champagne and schillerlocken after pitting 60 pounds of plums! This year was the pits—the pits would not come out easily but they still got the job done and the plums were great! Thank you!

Also thanks to Lou Colletti, who made the linzer cookies and Mrs. Povolonis who donated a cake.

## THE YEAR OF FAITH *submitted by Jack McGee*

**Only a few months left!** With his Apostolic Letter of October 11, 2011, *Porta Fidei*, Pope Benedict XVI declared that a “Year of Faith” will begin on October 11, 2012 and conclude on November 24, 2013. October 11, 2012, the first day of the Year of Faith, was the fiftieth anniversary of the opening of the Second Vatican Council (Vatican II) and also the twentieth anniversary of the Catechism of the Catholic Church. During the Year of Faith, Catholics are asked to study and reflect on the documents of Vatican II and the catechism so that they may deepen their knowledge of the faith.

“The ‘door of faith’ (Acts 14:27) is always open for us, ushering us into the life of communion with God and offering entry into his Church.”—Pope Benedict XVI, Apostolic Letter *Porta Fidei* for the Indiction of the Year of Faith.

The upcoming Year of Faith is a “summons to an authentic and renewed conversion to the Lord, the One Savior of the world” (*Porta Fidei* 6). In other words, the Year of Faith is an opportunity for Catholics to experience a conversion – to turn back to Jesus and enter into a deeper relationship with him. The “door of faith” is opened at one’s baptism, but during this year Catholics are called to open it again, walk through it and rediscover and renew their relationship with Christ and his Church.

## Truth Will ??? *submitted by Martin A. Kelly*

Dr. Paul Theodor Uhlenhuth

Americans may not be addicted to crime stories; but, judging by television listings, they certainly have a strong interest in the subject. Some of these popular T.V. shows are *C.S.I.*, *Forensic Files*, *Nancy Grace*, *Date Line*, *The New Detectives*, etc.

Unlike the traditional Sherlock Holmes method of solution through deduction, present day investigator examine the crime scene, locate clues, and subject them to scientific analysis to arrive at a decision about the suspects guilt or innocence. The evidence is presented to the court for final determination. The tests include

fingerprints, ballistics, hand writing, impressions, blood and other body fluids, lie detector, etc.

Interestingly, one of the earliest cases of science helping to convict a killer occurred in Germany, in 1901. A serial killer was on the loose in Gohren, Rugen, Germany; over a ten year period killings had occurred. In each case, the victim’s incinerated remains were found in nearby woods.

A local carpenter, Ludwig Tessnow was picked up in each case; and, questioned. Interest focused on brown stains on his work apron. The suspect explained them as wood dye from his work. Since there was no way to disprove his claim, he was released.

However “Aber luegen haben kleinen Beinen” (Lies have short legs). Truth will prevail. The chief investigator consulted Dr. Paul Theodor Uhlenhuth, a biologist at Griefswald University. He had developed serological tests to identify both human and animal blood on objects. They applied the test to the stains on Tessnow’s apron; and, the results disproved his alibi. He was tried and found guilty.

This application of science to help mankind is called forensic after the latin word for forum where the ancient Romans tried their criminal cases.
